**TRP121: NOTIFICATION OF AN ACQUISITION OR DISPOSAL OF A BENEFICIAL INTEREST IN SECURITIES**

---

In terms of section 122 of the Companies Act 71 of 2008, if a company receives notification from any person that has either acquired or disposed of a beneficial interest in sufficient number of any class of securities in the company such that, as a result of the acquisition or disposal (as the case may be) the person's beneficial interest in that class of securities moves above or below 5% or any multiple of 5% of that class of securities, the acquisition or disposal needs to be disclosed to shareholders.

Accordingly, shareholders are advised that MiX Telematics has received notification from Massachusetts Financial Services Company (registered as an investment advisor with the US Securities Exchange Commission) ("MFS") of its acquisition of that number of MiX Telematics American Depositary Shares listed on the New York Stock Exchange such that MFS now indirectly beneficially holds 5.18% of the total issued shares of the company.
